

VBR Fall 2021 – Spring 2022 Junior Participant – Covid-19 Waiver

Vero Beach Rowing strongly encourages everyone eligible to get vaccinated for COVID-19

I certify that my child:

- has not shown any symptoms of COVID-19 or been exposed to anyone with COVID-19 in the last 14 days
- has not had close sustained contact with any sick person within 14 days of beginning the season

I and my child agree that:

- If my child develops any of the common symptoms of COVID-19 or any sickness at all, I will notify the VBR Director of Rowing immediately, and he/she will not attend sessions at Vero Beach Rowing.
- If my child becomes symptomatic, and VBR requests it, I agree to have my child tested for COVID-19 within 3 days of the onset of symptoms, and immediately report the test result to the VBR Director of Rowing.
- If at any point my child, or anyone he/she has been in close sustained contact with, tests positive for COVID-19, I will notify the VBR Director of Rowing immediately.
- If my child tests positive for COVID-19, I will notify the VBR Director of Rowing immediately. I authorize the Director of Rowing to use my child's name when notifying potentially exposed teammates.
- If my child has had a case of documented COVID-19 infection, a doctor's note or negative COVID-19 test will be required indicating he/she is cleared to resume participation in training.
- VBR is permitted to strictly enforce all reasonable safety and health regulations.
- **VBR strongly requests that anyone not fully vaccinated on our premises** maintains six feet of social distancing at all times.
- Access to the second floor of the boathouse is only permitted for bathroom use (3 persons max per bathroom). A behind-ear protective mask must be worn, and social distancing maintained, while on the second floor of the boathouse.
- All participants are encouraged to frequently wash or sanitize their hands at any time that activities may warrant.

- Boat contact surfaces will be sanitized and washed after rowing with soap and water.
- All participants must bring their own personal refillable water bottle for use with the boathouse bottle-filling stations.
- Participants must not share water bottles, food, gear, equipment, sunscreen, or other items with others.
- I will provide current contact information so that the Director of Rowing can call and notify me if my child has exhibited Covid-19 or influenza like symptoms. If I receive such notification, I agree to immediately pick up my child and take him/her for proper medical screening and treatment.
- I understand that VBR may revise COVID-19 policies, in response to changing conditions in the community. I and my child agree to abide by any new policies VBR may adopt.
